It seems San Angelo has cut considerable figure in the Montana bank robbery, since J. W. Rose, or Harry Longbaugh, was a guest of the McDermott House during the Roping Contest and his name appears on the register Oct. 16, so that is the time when the brand new ten spots were distributed on the unwary people of our little city. It seems at that time he left his female companion at Temple, while he made the San Angelo trip to shove off some of the stolen bank bills.

Modern Surgery Surpassed.

"While suffering from a bad case of piles I consulted a physician who advised me to try a box of DeWitt's Witch Hazel Salve," says G. F. Carter, Atlanta, Ga. "I procured a box and was entirely cured. DeWitt's Witch Hazel Salve is a splendid cure for piles, giving relief instantly, and I heartily recommend it to all sufferers." Surgery is unnecessary to cure piles. DeWitt's Witch Hazel Salve will cure any case. Cuts, burns, bruises and all other wounds are also quickly cured by it. Beware of counterfeits. J. W. Harris & Bros.

Mrs. E. J. Melton and her friends are considerably worried over the news that her son, Mr. E. M. Lewis, now section foreman at Thompson, on the Santa Fe, is very nearly blind. It is sad to think that after all the suffering he has undergone since he was struck down April 26, 1900, by Ed Heiner, that an other calamity should befall him. Of course every one simply hopes that he may yet be restored to health and his full faculties.

Lost Land Notes.

In October 1901 I lost 2 land notes for \$133.33 each bearing interest at the rate of 10 per cent per annum and executed by G. T. Stites and his son to C. T. Reese, retaining the vendor's lien on part of the John R. Walker survey of land in Johnson county, Texas. Said notes were executed in November, 1899, are made payable at Tom Reed's office at Grandview, Texas, and are endorsed in blank by said Reese and have been transferred to me.

The finder of these notes will be liberally rewarded if notes are returned to me at Robert Lee, Texas.

The ladies of San Angelo will be interested to know that the gold medal offered for the best and finest shoes for women's wear was won by the famous Queen Quality shoes. These shoes have long since earned the reputation of being the most durable, comfortable and dressy of any shoe made for women. This latter triumph but adds to their already enviable reputation. They were entered in the same class as the most widely advertised \$5.00, \$4.00 and \$3.50 shoes in the United States, with these odds against them, their retail price being only \$3.00, they easily carried off first prize. This means more than at first it appears to mean. It means that Queen Quality shoes are \$5.00 shoes sold for \$3.00. The lady who wears them gets the same service, the same satisfaction, and saves \$2.00 a pair. Winkler & Hudson Co. are sole agents for them in San Angelo.

In an Unfortunate Attitude.

Lord, forgive our contemporaries who clip our news items and give our rival the credit. For give the fellow who clipped one of our items last week and left the readers of his paper to believe it was original with him. O Lord, if it was carelessness in them, to do these things, help them to be more careful in the future; and, if they did these things out of cussedness, make them realize that they do be breeding of many scabs and much trouble.—Sterling City Record.

Drowned.

While playing near a tank yesterday, the little 18-months old son of Mr. and Mrs. Neal Reed, fell in and drowned. We learn that the last time Mrs. Reed saw the little fellow alive, he was riding a stick horse about the yard. Missing him soon, the mother went in search of him, and found him dead in the tank. The little one was buried at the Sterling Cemetery today. The poor heart stricken parents are almost prostrate with grief over their sad loss.
